

Gargara Fund

The EC committee is pleased to announce the first beneficiary of the fund.

Yihun Debebe, a 20 year old male from Moyale, presented to our hospital on 12/03/09 and was discharged improved on 13/03/09.

Yihun had no family or friends with him when he came to the hospital. And due to the sudden nature of his illness, he did not have the financial means to cover his stay in the hospital.

With the help of your generous membership, the Gargara Fund was able to cover his investigation, medication, hospital stay and meal expenses.

We thank all members of the fund in enabling us to make this possible.

New members are always welcome so please contact us if you want to join.

To repeat once more, eligibility criteria for the fund are as follows

- Present to the hospital with an illness which is deemed by the treating physician to require admission
- Incapable of covering the expenses themselves
- Have no attendants present with them at the time of admission, nor will present within the next hour
- There is no means to transfer the patients to a health facility which will enable them to receive treatment

Please contact one of the following if an eligible candidate presents to the hospital

- **Dr Ahmed Ibrahim**- +251-932-503572
- **Sr Isnino Abubakar (CN)** - +251-913-340460
- **Getu Seyoum (BScN)** - +251-920-056439
